B. Información de Antecedentes sobre los Proveedores de la Red de Community Advantage Plus

B1. Términos clave

Esta sección explica los términos clave de nuestro Directorio.

- **Proveedores,** son profesionales como médicos, enfermeras, farmacéuticos, terapeutas y otras personas que brindan atención y servicios. **Los servicios** incluyen atención médica, Servicios y apoyos a largo plazo (LTSS), suministros, medicamentos, equipos y otros servicios.
- El término **"proveedores"** incluye instalaciones como hospitales, clínicas y otros lugares que brindan servicios médicos y equipos médicos.
    - También incluye proveedores de LTSS que puede utilizar como participante de Community Advantage Plus.

- Los proveedores que forman parte de la red de nuestro plan se denominan proveedores de la red.

- **Los proveedores de la red** han hecho un contrato con nosotros para brindar servicios a los participantes de nuestro plan. Los proveedores de la red participan en nuestro plan. Eso significa que aceptan participantes de nuestro plan y brindan servicios que nuestro plan cubre. Cuando usa un proveedor de la red, por lo general usted no paga nada por los servicios cubiertos.

- Un Proveedor de **Atención Primaria** (PCP) es un médico familiar quien le brinda atención médica de rutina. Su PCP mantendrá sus registros médicos y conocerá sus necesidades de salud a lo largo del tiempo. Su PCP también le dará una derivación si necesita un especialista u otro proveedor.

- **Los especialistas** son médicos que brindan servicios de atención médica para una enfermedad específica o una parte del cuerpo. Hay muchos tipos de especialistas. Aquí están algunos ejemplos:

  - Los oncólogos atienden a pacientes con cáncer.

  - Los cardiólogos atienden a pacientes con afecciones cardíacas.

  - Los ortopedistas atienden a pacientes con ciertas afecciones óseas, articulares o musculares.

- Es posible que necesite una **derivación** o **autorización previa** para un especialista o alguien que no sea su médico de cabecera. Una **derivación** significa que su médico de cabecera de la red debe darle su aprobación antes de que pueda utilizar el otro proveedor. Una **autorización previa** es diferente a una derivación. Ello significa que **Community Advantage Plus** (no su PCP de la red) debe darle su aprobación **antes de** que cubramos un servicio, artículo o medicamento específico o un proveedor fuera de la red. Si no recibe una derivación o autorización previa, es posible que Community Advantage Plus no cubra el servicio, artículo o medicamento.

  - **No** se necesitan derivaciones ni autorización previa para:

    – atención de emergencia;

    – atención urgente necesaria;

    – servicios de diálisis renal que recibe en un centro de diálisis certificado por Medicare cuando se encuentra fuera del área de servicio del plan;

- servicios de un especialista en salud de la mujer; o
- servicios de salud mental y conductual.

  - Además, si usted es un Participante Indígena Americano, puede recibir servicios de un Proveedor de Atención Médica Indígena sin una derivación. Debemos pagarle al Proveedor de Atención Médica Indígena por aquellos servicios incluso si están fuera de la red de nuestro plan.
  - Hay más información sobre derivaciones y autorizaciones previas disponible en el **Capítulo 3** del *Manual del Participante.*

- También se le asignará un **Equipo de Atención**. Su **Equipo de Atención** incluye a su PCP, coordinador de casos, coordinador de atención personal y puede incluir un médico del plan, una enfermera, un farmacéutico y otros profesionales de la salud en las áreas de salud conductual, salud preventiva, servicios al cliente, servicios sociales y calidad de la atención médica. Usted, su cuidador o representante autorizado juegan un papel clave en el equipo de atención. Todos en el Equipo de Atención trabajan juntos para asegurarse de que su atención esté coordinada. Esto significa que se aseguran de que usted obtenga todas las pruebas, laboratorios y otros cuidados que necesita, y los resultados se comparten con los proveedores correspondientes. También significa que su PCP debe conocer todos los medicamentos que toma para que puedan reducir los efectos negativos. Su PCP siempre obtendrá su permiso antes de compartir su información médica con otros proveedores. Los participantes de su Equipo de Atención pueden incluir:
  - Un **Coordinador de Casos** que le ayuda a administrar sus proveedores y servicios médicos.
  - Su Proveedor de **Atención Primaria**
  - **Programa Multipropósito de Servicios para Personas Mayores (MSSP)** para ayudarlo a encontrar y acceder a apoyo para los servicios de administración de atención médica y social disponibles para usted en la comunidad para ayudarlo a permanecer en su propio hogar. El MSSP se basa en sus sitios MSSP locales. Los centros del MSSP se encuentran en las páginas 730 de este Directorio. (Tanto el Coordinador de Casos como el MSSP pueden trabajar como parte de su Equipo de Atención para asegurarse de que reciba la atención que necesita).

Su Equipo de Atención también lo ayudará a encontrar otros proveedores médicos, de salud conductual o de Servicios y Apoyos a Largo Plazo (LTSS) si necesita un especialista u otro proveedor de atención médica. De esa manera, obtendrá el proveedor adecuado para ayudarlo con sus inquietudes.

B2. Tiempos de espera para atención primaria y salud mental y conductual

Debemos proporcionarle acceso a los servicios de atención primaria y de salud mental y conductual dentro de los siguientes plazos:

- inmediatamente en caso de servicios de urgencia o emergencia;
- dentro de los 7 días para servicios que no sean una emergencia o se necesiten con urgencia, pero que requieran atención médica; o
- en un plazo de 30 días para atención rutinaria y preventiva

B3. Cómo elegir un Proveedor de Atención Primaria (PCP)

Primero, deberá elegir un Proveedor de Atención Primaria (PCP). Es posible que un especialista pueda actuar como su PCP. Puede consultar este Directorio o solicitar a los el Departamento de Servicio al Cliente de Community Advantage Plus que verifiquen si el PCP que desea realiza derivaciones a ese especialista o utiliza ese hospital. Puede elegir cualquier PCP de nuestra red que acepte nuevos participantes.

Los PCP de nuestro plan están afiliados a grupos médicos y Asociaciones de Médicos Independientes (IPA). Cuando elige su PCP, también está eligiendo el grupo médico afiliado o IPA. Esto significa que, su PCP le derivará a especialistas y servicios que también estén afiliados a su grupo médico.

- Si hay un especialista u hospital en particular que desea utilizar, es importante averiguar si está afiliado al grupo médico de su PCP. Puede consultar este Directorio o solicitar a los el Departamento de Servicio al Cliente de Community Advantage Plus que verifiquen si el PCP que desea realiza derivaciones a ese especialista o utiliza ese hospital.
- Si no permanece dentro del grupo médico de su PCP, es posible que Community Advantage Plus no cubra el servicio.
- Para elegir un médico de cabecera, consulte la lista de proveedores en **la Sección C** y elija un proveedor:
    - que ya utiliza ahora, **o**
    - que le haya recomendado alguien de su confianza, **o**
    - cuyas oficinas son de fácil acceso para usted.
- Si no elige un PCP en nuestra red, Community Advantage Plus elegirá uno por usted.

- Si necesita ayuda para elegir un PCP, llame al Departamento de Servicio al Cliente a los números que aparecen al final de esta página, las 24 horas del día, los 7 días de la semana. La llamada es gratuita. O, visite www.chpiv.com.

- Si tiene preguntas sobre si algún servicio o atención que desea o necesita está cubierto, hable con su Equipo de Atención o llame a Departamento de Servicio al Cliente a los números que aparecen al final de esta página y pregunte **antes** de recibir el servicio o atención.

B4. Proveedores de Servicios y Apoyos a Largo Plazo (Long-term Services and Supports (LTSS))

Como participante de Community Advantage Plus, podrá obtener servicios y apoyos a largo plazo (LTSS) si los necesita, como los Servicios Comunitarios para Adultos (CBAS). CBAS es un programa de servicios ambulatorios, basado en instalaciones, al que las personas asisten según un cronograma. Proporciona atención de enfermería especializada, servicios sociales, terapias (incluidas terapia ocupacional, física y del habla), cuidado personal, capacitación y apoyo para familiares y cuidadores, servicios de nutrición y transporte. LTSS ayuda a las personas que necesitan asistencia para realizar tareas cotidianas como bañarse, vestirse, preparar alimentos y tomar medicamentos. La mayoría de estos servicios se brindan en su hogar o en su comunidad, pero podrían brindarse en un hogar de ancianos u hospital.

Si necesita LTSS, su coordinador de atención puede ayudarlo a usted y a su equipo de atención a determinar qué opciones están disponibles para brindarle apoyo de la manera que desee.

B5. Cómo acceder a los proveedores de la red de Community Advantage Plus

Es posible que necesite una derivación para alguien que no sea un Proveedor de Atención Primaria. (PCP). Hay más información sobre las derivaciones en la **Sección B1**.

Debe obtener todos los servicios cubiertos de proveedores dentro de nuestra red. Si utiliza proveedores que no están en la red de Community Advantage Plus **(sin autorización previa), tendrá que pagar la factura.**

> Una **autorización previa** es una aprobación del CommuniCare Advantage para solicitar servicios fuera de nuestra red o para obtener servicios no cubiertos habitualmente por nuestra red, **antes** de que usted reciba los servicios.

Las únicas excepciones a esta regla son cuando necesita atención urgente o de emergencia o diálisis y no puede acceder a un proveedor del plan, como cuando está lejos de casa. También

puede salir del plan para recibir otros servicios que no sean de emergencia si Community Advantage Plus le da permiso primero.

- Puede cambiar de proveedor dentro de la red en cualquier momento durante el año. Si ha estado utilizando un proveedor de red, no tiene que seguir utilizando ese mismo proveedor. Para algunos proveedores, es posible que necesite una derivación de su PCP.
- Recuerde que, los PCP de nuestro plan están afiliados a grupos médicos. Si cambia de PCP, es posible que también cambie de grupo médico. Cuando solicite el cambio, asegúrese de informar a el Departamento de Servicio al Cliente si está utilizando un especialista o recibiendo otros servicios cubiertos que requieren la aprobación del PCP. El Departamento de Servicio al Cliente le ayudará a asegurarse de que puede seguir recibiendo atención especializada y otros servicios cuando cambie de PCP.
- Community Advantage Plus trabaja con todos los proveedores de nuestra red para satisfacer las necesidades de las personas con discapacidades. Según corresponda, la lista de proveedores de red en este Directorio incluye información sobre las adaptaciones que ofrecen.
- Si necesita un proveedor y no está seguro de si ofrece el alojamiento que necesita, Community Advantage Plus puede ayudarlo. Hable con su equipo de atención o coordinador de casos para obtener ayuda.

D. Antecedentes sobre las Farmacias de la Red de Community Advantage Plus

Este Directorio enumera las farmacias que puede utilizar para obtener sus medicamentos. En este Directorio, estas se denominan **farmacias de la red**. Estas farmacias de la red son farmacias que **participan y aceptan** Community Advantage Plus y han acordado proporcionarle medicamentos como participante del plan.

Si bien la mayoría de los medicamentos que obtiene en una farmacia están cubiertos por Community Advantage Plus, otros medicamentos pueden estar cubiertos por Medi-Cal. Esto puede incluir algunos Medicamentos de Venta Libre y ciertas vitaminas. Para los medicamentos cubiertos por Medi-Cal, visite el sitio web de Medi-Cal Rx (medi-calrx.dhcs.ca.gov/) para obtener más información. También puede llamar al Departamento de Servicio al Cliente de Medi-Cal Rx al 800-977-2273. Traiga su Tarjeta de Identificación de Beneficiario (BIC) de Medi-Cal cuando le surtan recetas a través de Medi-Cal Rx.

Comuníquese con el Departamento de Servicio al Cliente de Community Advantage Plus a los números que aparecen al final de esta página o con su Coordinador de Casos para obtener ayuda.

Los participantes de Community Advantage Plus deben utilizar farmacias de la red para obtener medicamentos, excepto en situaciones de emergencia o de atención de urgencia.

- Si utiliza una farmacia fuera de la red para obtener recetas cuando no se trata de una emergencia, tendrá que pagar el servicio de su bolsillo.
- Lea el *Manual para Participantes de* Community Advantage Plus para obtener más información.

Es posible que este directorio no incluya todas las farmacias de la red. Es posible que hayamos agregado o eliminado algunas farmacias de la red de nuestro plan después de publicar este Directorio.

Para obtener información actualizada sobre las farmacias de la red Community Advantage Plus en su área, visite nuestro sitio web en www.chpiv.org o llame al Departamento de Servicio al Cliente a los números que aparecen en la parte inferior de esta página, las 24 horas del día, los 7 días de la semana. La llamada es gratuita.

Para obtener una descripción completa de su cobertura de recetas, incluido cómo surtir sus recetas, lea el *Manual del Participante* y *la Lista de Medicamentos Cubiertos* de Community Advantage Plus. Puede encontrar la *lista de medicamentos cubiertos* en nuestro sitio web en www.chpiv.org.

D1. Tipos de farmacias en la red de Community Advantage Plus

Además de las farmacias minoristas, la red de farmacias de su plan incluye:

- Las farmacias con servicio de pedidos por correo envían los medicamentos cubiertos a los participantes a través del correo o de compañías de envío.
- Las farmacias de infusión domiciliaria preparan medicamentos que se administran a través de una vena, dentro de un músculo o de otra forma no oral por un proveedor capacitado en su hogar.
- Las farmacias de cuidados a largo plazo (LTC) atienden a los residentes de centros de cuidados a largo plazo, como hogares de ancianos.
- Farmacias de Proveedores de Atención Médica para Indígenas (IHCP)

No es necesario que continúe utilizando la misma farmacia para surtir sus recetas.

D2. Suministros de recetas a largo plazo

- **Programas de Pedidos por Correo.** Ofrecemos un programa de pedidos por correo que le permite recibir un suministro de hasta 93 días de sus medicamentos enviados directamente a su hogar. Un suministro para 93 días tiene el mismo copago que un suministro para un mes.
- **Programas de Farmacia Minorista de 93 Días.** Algunas farmacias minoristas también pueden ofrecer un suministro de hasta 93 días de medicamentos cubiertos. Un suministro para 93 días tiene el mismo copago que un suministro para un mes.

E. Lista de Farmacias de la Red de Community Advantage Plus
