Introduction

Choosing your primary care physician (PCP)

When you enroll with Community Health Plan of Imperial Valley, you will select a primary care physician (PCP); a PCP is a doctor who will be your personal doctor. Your PCP may be a family practice, general practice, internal medicine, obstetrics and gynecology (OB/GYN), or pediatrics (for your children) physician. You may want to have one doctor who will see your whole family, or you may want to have one doctor for you and a different doctor for your children.

Your PCP will be the doctor you will see when you are sick; he or she will refer you to a specialist and coordinate your health care whenever you need it. You must always see your PCP each time you need medical treatment unless it is an emergency. You do not need to get a referral from your PCP to visit your eye doctor for a regular examination, for a family planning visit, for care during pregnancy, or to access a nurse midwife.

If you are a female member, you may choose to see an OB/GYN for routine examinations and prenatal care. You do not need a referral from your PCP, but you may ask him or her to recommend the name of an OB/GYN for you. There is also a listing of these providers in the section of your directory titled "OB/GYN Providers." The OB/GYN you choose must be a Community Health Plan of Imperial Valley provider and belong to the same medical group as your PCP.

All eligible Native Americans have the right to access medical services through Indian Health Service facilities. You do not need a referral from your PCP. The health plan will reimburse the facilities for covered services.

Some hospitals and other providers do not provide one or more of the following services that may be covered under this health plan and which members might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; infertility treatments; or abortion. Call your doctor or clinic, or call the Community Health Plan of Imperial Valley Member Services Department at 833-236-4141 to ensure that you can obtain the health care services that you need.

If you feel this document has given wrong, partial or deceptive information, you may file a complaint. To file a complaint, go to www.chpiv.org or contact our Member Services Department at **833-236-4141**. You can also contact us by mail.

Timely Access to Care

The amount of time prior to a visit may depend on your health issue. And, the type of care you need.

The health plan must ensure you are provided with an appointment within specific timeframes. The amount of time to wait for an appointment may depend upon your health issue and the type of care you need. You might be able to wait a little longer for an appointment if your provider determines a longer waiting time will not be harmful to your health.

You may want to set up routine care whether you just got Medi-Cal coverage, or you were covered and have transferred to a new doctor. It's important for your doctor to get to know you. If you already have a doctor, you can remind your doctor of your concerns.

If you have a problem with timely access to care, call the health plan at 833-236-4141 (TTY:711). If the health plan does not resolve the problem, contact the Department of Managed Care Help Center at 888-466-2219.

Introducción

Cómo elegir a su médico de atención primaria (PCP)

Cuando se inscriba en un plan de Community Health Plan of Imperial Valley, usted elegirá a un médico de atención primaria (PCP), que será su médico personal. El PCP puede ser un médico especialista en medicina familiar, medicina general, medicina interna, obstetricia y ginecología o pediatría (para sus hijos). Puede elegir un médico para toda su familia, o un médico para usted y otro para sus hijos.

El PCP será el médico a quien consultará cuando esté enfermo, y que lo remitirá a un especialista y coordinará su atención de salud cuando lo necesite. Cada vez que necesite tratamiento médico debe acudir a su PCP, a menos que se trate de una emergencia. No necesita una remisión de su PCP para consultar a un oculista por una revisión regular, realizar una visita de planificación familiar, recibir atención durante el embarazo ni acceder a los servicios de personal de enfermería obstétrica.

Si es una afiliada, puede consultar a un obstetra o ginecólogo para los exámenes de rutina y la atención prenatal. No necesita una remisión de su PCP, pero puede pedirle que le recomiende un obstetra o ginecólogo. También puede encontrar una lista de proveedores de esta especialidad en la sección “Obstetras o ginecólogos” del Directorio. El obstetra o ginecólogo que elija debe ser un proveedor de Community Health Plan of Imperial Valley y pertenecer al mismo grupo médico que su PCP.

Todos los nativos americanos elegibles tienen derecho al acceso a servicios médicos en centros del Servicio de Salud Indígena. No necesita una remisión de su PCP. El plan de salud reembolsará a los centros por los servicios cubiertos.

Algunos hospitales y otros proveedores no prestan algunos de los siguientes servicios que pueden estar cubiertos conforme a su plan de salud y que los afiliados podrían necesitar: planificación familiar; servicios anticonceptivos, incluida la anticoncepción de emergencia; esterilización, incluida la ligadura de trompas en el momento del parto; tratamientos para la infertilidad o aborto. Llame a su médico o clínica, o llame al Departamento de Servicios al Afiliado de Community Health Plan of Imperial Valley al 833-236-4141 para asegurarse de poder obtener los servicios de atención de salud que necesita.

Acceso Oportuno a la Atención

La cantidad de tiempo antes de una visita puede depender del problema de salud que tenga, así como del tipo de atención que necesite.

El plan de salud debe garantizar que usted tenga una cita dentro de plazos específicos. El tiempo de espera de una visita puede depender del problema de salud que tenga y del tipo de atención que necesite. Tal vez podría esperar un poco más si el proveedor determina que esto no perjudica su salud.

Es recomendable que programe su atención de rutina, ya sea si obtuvo cobertura de Medi-Cal recientemente o si tenía cobertura y lo transfirieron a un nuevo médico. Esto es importante para que su médico pueda conocerlo. Si ya tiene un médico, recuérdale cuáles son sus inquietudes.

Si tiene un problema con el acceso oportuno a la atención, llame al plan de salud al 833-236-4141 (TTY: 711). Si el plan de salud no resuelve el problema, comuníquese con el Centro de Ayuda del Departamento de Atención Administrada al 888-466-2219.
